

Walker Register Report

First Generation

1. **[not known] WALKER.** We currently know nothing of the parents of Sarah, James & William, save that they lived somewhere in England – probably around London, since that was where their children were apprenticed. However, London was (and is) such a hub for England, that apprenticeship within its area does not prove the family's proximity to the city.

They had the following children:

| 2 | i. | Sarah |
| 3 | ii. | James (<i>Twin</i>) |
| 4 | iii. | William (<i>Twin</i>) |
