Behind Blue Eyes

Words & Music:
Pete Townsend

```
Em                      G              D
No one knows what it's like to be the bad man,
          C         Asus2
To be the sad man behind blue eyes
No one knows what it's like to be hated,
To be fated, to telling only lies.

CHORUS:
       C    D                 G           C          D        E
But my dreams, they aren't as empty as my conscience seems to be.
       Bm          C                  D                       A2
I have hours, only lonely, my love is vengeance, that's never free

No one knows what it's like to feel these feelings
Like I do and I blame you.
No one bites back as hard on their anger.
None of my pain and woe can show through.

CHORUS:

BRIDGE:
A2           E         Bm       A             E          Bm      G
When my fist clenches, crack it open before I use it and lose my cool.
       D      Bm           A                  D         Bm         A
When I smile, tell me some bad news, before I laugh and act like a fool.
And if I swallow anything evil, put your finger down my throat.
And if I shiver, please give me a blanket,
Keep me warm, let me wear your coat.

E    Bm   A    E    Bm   G
D    Bm   A    D    Bm   A
E    Bm   A    Bm   A    E    Bm

No one knows what it's like to be the bad man,
To be the sad man behind blue eyes.
