

# Champagne Supernova

## (chords & lyrics)

Words & Music:  
Noel Gallagher (Oasis)  
Tabbed by: ste\_rigs

*Note from ste\_rigs: "As well as give the correct chords, I thought I'd give a set of chords which sounds better when playing an acoustic version! You can obviously still use the correct chords with an acoustic guitar but the changes are subtle and so without the other instruments it just doesn't sound as good!"*
