

# Peaceful, Easy Feeling

Words and music by Jack Tempchin

"Peaceful, Easy Feeling," written by Eagles vocalist/guitarist Glenn Frey's friend Jack Tempchin, was one of three singles on the Eagles' self-titled debut release to reach the top 20. The thickly layered recording has multiple guitars, with the most audible strumming root-position chords in the key of E. If you'd like to add a second part or accompany yourself differently, try the alternate chords (in

parentheses) with a capo on the second fret. Randy Meisner's bass line implies an F#m chord on the second line of the first chorus (on the word *down*) but matches the guitar parts for the second and third choruses.

## Chords

## Alternate Chords (Capo II)

## Strum Patterns

1. I like the way your sparkling earrings lay  
 Against your skin so brown  
 And I want to sleep with you in the desert tonight  
 With a billion stars all around

### Chorus

- 'Cause I got a peaceful easy feeling  
 And I know you won't let me down  
 'Cause I'm already standing on the ground  
 Tells me I may never see you again

2. And I found out a long time ago  
 What a woman can do to your soul  
 Ah, but she can't take you any way  
 You don't already know how to go

### Repeat Chorus

3. I get this feeling I may know you  
 As a lover and a friend  
 But this voice keeps whispering in my other ear  
 Tells me I may never see you again

### Repeat Chorus
