

Please Forgive Me

Words & Music:
Bryan Adams

A E F#m E D

It still feels like our first night together

Feels like the first kiss and it's getting better baby

No-one can better this

You're still holding on, you're still the one

The first time our eyes met, same feeling I get

Only it seems much stronger, I wanna love you longer

You still turn the fire on

CHORUS

So if you're feeling lonely, don't

You're the only love I ever want

I only wanna make it good

So if I love you a little more than I should

Please forgive me, I know not what I do

Please forgive me, I can't stop loving you

Don't deny me, this pain I'm going through

Please forgive me, if I need you like I do

Please believe it every word I say is true

Please forgive me, I can't stop loving you

Still feels like our best times are together
Feels like the first touch
Still getting closer baby
Can't get close enough
Still holding on
Still number one
I remember the smell of your skin
I remember everything
I remember all your moods
I remember you, yeah !
I remember the nights you know I still do

CHORUS

One thing I'm sure of
Is the way we make love
One thing I depend on
Is for us to stay strong
In every word and every breath I'm praying
That's why I'm saying

CHORUS

No, believe me, I don't know what I do
