Seagull, you fly across the horizon;
Into the misty morning sun.

Nobody knows where you are going,

C G D

Nobody knows where you're from.

There is a man and he's asking a question:

"Is this really the end of the world?"

Seagull, you must have known for a long time

The shape of things to come.

CHORUS:

D A C G D
Now you fly, through the sky, never asking why

D A C G D *[to verse chords]*
And you'll fly all around, 'til somebody shoots you down.

C G D C G D

Da-da-n-da-n-da-da-dum. Mmmm-mmmm-mm-mmm-mmm.

VERSE 1 REPRISE:

CHORUS: *[2x]*

CODA: *[improv over verse vamp as you will...]*

Seagull, fly away today. Fly away, fly away.

Fly to your tomorrow. Leave me with my sorrow.

Guitar ending when you are ready:
