

100 Miles

Words & Music:
Bad Company

I'm still working on the chords to this one.

Hey, little girl, I love you so.

I'd walk a hundred miles to let you know.

Hey, little baby, your eyes sure shine

When your hand reaches out and touches mine.

'Cause you're my baby, you're my baby, my little girl.

Hey, little girl, let me kiss your lips.

Let me feel you thrill to my fingertips.

Hey, little baby, let me take your hand.

Let me lead you to the promised land.

'Cause you're my baby, you're my baby, my little girl.

Hey, little girl, I love you so.

I'd walk a hundred miles to let you know.

Hey, little girl, I love you so.

I'd walk a hundred miles to let you know.
