Em
                                   Em
As I walked out tonight in the mystic garden
The wounded flowers were dangling from the vines
                                   Am
I was passing by yon cool and crystal fountain
Someone hit me from behind
CHORUS:
                   Em
                          Am
                                                    Em
Ain't talkin', just walkin' through this weary world of woe
Em
              Em
                             Am(strum) D(strum)
Heart burnin', still yearnin'; no one on earth would ever know
```

They say prayer has the power to help; so pray from the mother In the human heart an evil spirit can dwell I'm trying to love my neighbor and do good unto others But oh, mother, things ain't going well

Ain't talkin', just walkin'. I'll burn that bridge before you can cross Heart burnin', still yearnin'. They'll be no mercy for you once you've lost

Now I'm all worn down by weepin'
My eyes are filled with tears, my lips are dry
If I catch my opponents ever sleepin'
I'll just slaughter them where they lie

Ain't talkin', just walkin' through the world mysterious and vague Heart burnin', still yearnin', walking through the cities of the plague

INSTRUMENTAL OVER Em:

The whole world is filled with speculation
The whole wide world which people say is round
They will tear your mind away from contemplation
They will jump on your misfortune when you're down

Ain't talkin', just walkin', eatin' hog eyed grease in hog eyed town Heart burnin' – still yearnin', someday you'll be glad to have me around

INSTRUMENTAL OVER Em:

They will crush you with wealth and power
Every waking moment you could crack
I'll make the most of one last extra hour
I'll avenge my father's death then I'll step back

Ain't talkin', just walkin', hand me down my walkin' cane Heart burnin', still yearnin', got to get you out of my miserable brain

INSTRUMENTAL OVER Em:

All my loyal and much loved companions
They approve of me and share my code
I practice a faith that's been long abandoned
Ain't no altars on this long and lonesome road

Ain't talkin', just walkin', my mule is sick, my horse is blind Heart burnin', still yearnin', thinkin' 'bout that gal I left behind

It's bright in the heavens and the wheels are flying Fame and honor never seem to fade The fire's gone out but the light is never dying Who says I can't get heavenly aid?

Ain't talkin', just walkin', carrying a dead man's shield Heart burnin', still yearnin', walkin' with a toothache in my heel

The suffering is unending
Every nook and cranny has it's tears
I'm not playing, I'm not pretending
I'm not nursing any superfluous fears

Ain't talkin', just walkin', walkin' ever since the other night Heart burnin', still yearnin', walkin' 'til I'm clean out of sight

INSTRUMENTAL OVER Em:

As I walked out in the mystic garden
On a hot summer day, hot summer lawn
Excuse me, ma'am I beg your pardon
There's no one here, the gardener is gone

Ain't talkin', just walkin', up the road around the bend Heart burnin', still yearnin', in the last outback, at the world's end

Outro : same as intro with strumming and cellos then end on $\bar{\ }$
