Girls Talk

Elvis Costello

A G D [2x]

There are some things you can't cover up with lipstick and powder.

I thought I heard you mention my name. Can't you talk any louder?

Don't come any closer. Don't come any nearer.

My vision of you can't get any clearer.

Oh, I just want to hear girls talk

I got a loaded imagination being fired by girls' talk

But I can't say the words you want to hear

I suppose you're going to have to play it by ear

Right here and now; girls talk.

And they want to know how; girls talk.

And they say it's not allowed; girls talk.

If they say that it's so, don't you think that I know by now?

That the word upon everyone's lips, stick that you're dedicated.

Though you may not be an old-fashioned girl,

You're still going to get dated.

Was it really murder? Were you just pretending?

Lately I have heard you are the living end; girls talk.

And they wanna know about her; girls talk.

And they wanna know if I care; girls talk.

And they wanna know where yeah; girls talk.

Girls talk.
