

# Lucy In The Sky With Diamonds

Words & Music:  
John Lennon & Paul McCartney

A                    A/G            A/F#            A/F  
Picture yourself in a boat on a river  
A                    A/G            A/F#            F  
With tangerine trees and marmalade skies.  
A            A/G                    A/F#            A/F  
Somebody calls you, you answer quite slowly  
  A                    A/G            A/F#            F  
A girl with kaleidoscope eyes.  
Bb                            C9                            F6                            Bb  
Cellophane flowers of yellow and green towering over your head.  
C9                                    G                    D7    Em            D  
Look for the girl with the sun in her eyes and she's gone.

CHORUS:

G                    C                    D  
Lucy in the sky with diamonds.  
Lucy in the sky with diamonds.  
Lucy in the sky with diamonds.  
D                    A  
Ahhhhhhhhhhhh.

Follow her down to a bridge by a fountain  
Where rockinghorse-people eat marshmallow pies.  
Everyone smiles as you drift past the flowers  
That grow so incredibly high  
Newspaper taxis appear on the shore waiting to take you away.  
Climb in the back with your head in the clouds and you're gone.

CHORUS:

Picture yourself in a train in a station  
With plasticine porters with looking-glass ties.  
Suddenly someone is there at the turnstile;  
The girl with kaleidoscope eyes.

CHORUS: *[repeat & out]*
