Well, you made me love you, woman, and now your man is gone.

So I'm goin' away now baby and I won't be back till fall,
I'm goin' away now baby and I won't be back till fall,
Just might find me a good girl might not be comin' back at all.

Well, now, C., C. C. Rider, see how the moon is shining bright,
Well, now, C., C. C. Rider, see how the moon is shining bright,
Just might find me that good girl and everything would be alright.
