When the night is cold, and the land is dark
And the moon is the only light we'll see.
Though I won't be afraid though I won't be afraid
Just as long as you stand, stand by me

So darling, darling stand by me, oh stand by me
Stand by me, stand by me, stand by me.

And the sky that we look upon should crumble and fall
And the mountains should tumble to the sea.
I won't cry I won't cry, oh I won't shed a tear
Just as long as you stand, stand by me.

So darling, darling stand by me, oh stand by me
Stand by me, stand by me, stand by me.
