Before I woke to face the day, your master plan transpired.

E5 [palm mute]

Something told me this job had more to meet the eye.

Eb5/E [palm mute]

My song is not believed? My words somewhat deceiving?

You cry for compensation. I ask you please just give us...

CHORUS:

[basic riff]

5 minutes alone. Just give us 5 minutes alone.

I read your eyes, your mind was made up, you took me for a fool.

You used complexion of my skin for a counter-racist tool.

You can't burn me; I've spilled my guts out in the past.

Taken advantage of, because you know where I've come from.

My past.

PRE-CHORUS & CHORUS:

INSTRUMENTAL:

OUTRO CHORUS:

[basic riff]

I ask you, please, just give us... *[8x]*

I as you, please... *[4x]*

[basic riff 6x and out]
