Everyday when I'm away I'm thinking of you.
Everyone can carry on, except for we two.

And you know that I...

C7 G D
And you know that our love won't die.

BRIDGE:

Em G C Em Am G
And it won't even show, and no-one will know.
One little wave, to say you'll behave.
It won't even show how far love can go.

Everyday when I'm away and there's been a few.
Every land I need a hand to help me come through.
