When I look into your eyes I can see the love restrained.  
But darlin', when I hold you, don't you know I feel the same?  
Dm G C  
Nothin' lasts forever and we both know hearts can change.  
And it's hard to hold a candle in the cold November rain.  
F Dm C Csus4 C Csus2  
We've been through this such a long, long time just tryin' to kill the pain.  
F Dm  
But, lovers always come and lovers always go and  
C Csus4 C Csus2  
No one's really sure who's lettin' go today, walking away.  
F Dm  
If we could take time to lay it on the line I could  
C Csus4 C Csus2  
Rest my head just knowin' that you were all mine.  
Dm G C  
So, if you want to love me then darlin' don't refrain  
Or I'll just end up walking in the cold November rain.  
F G F G  
Do you need some time on your own? Do you need some time all alone?  
Everybody needs some time on their own. Don't you know you need some time all alone?  
Em F C Em F Dm  
I know it's hard to keep an open heart when even friends seem out to harm you.  
E5 F5 C Em F G  
But, if you could heal a broken heart, wouldn't time be out to charm you?
