Our Boys Will Shine

Words & Music:
Traditional American
(has been adopted by many schools as a fight song)

```
D                             G             D
Our boys will shine tonight, our boys will shine!
D                             G              A7
Our boys will shine tonight, right down the line!
D                             G             D
Our boys will shine tonight, our boys will shine!
         G                                      A7             D
When the sun goes down and the moon comes up, our boys will shine!
