

# Innocent Child

Words & Music by:  
Mick Jones

C                    G   F                    G  
Live for yourself today or tomorrow.  
C                                    G   F                                    G  
We'll cut all your hair & forget all your sorrows.

## CHORUS:

F                                    G                                    F  
I wish I could've seen you; oh, you could run wild.  
I woulda liked to know you as an innocent child,  
                  C G Am            F C G (F G)  
Innocent child.

It's never to late for you to do it  
You don't have to wait for the sun to go through it

## CHORUS:

I know a way for searchin' the truth.  
Go back to the days of your youth.

## BRIDGE:

                  C G Am                                    C G Am  
Innocent child--; Innocent child--;  
Innocent child--; Innocent child--.

## CHORUS:

As an innocent child; Innocent child  
Innocent child; Innocent child
