Take this pink ribbon off my eyes. I'm exposed and it's no big surprise.  
Don't you think I know exactly where I stand?  
This world is forcing me to hold your hand.

Bm            A        G            A        Bm            A            G        A  
'Cause I am just a girl, little ol' me. Don't let me out of your sight.  
Bm            A            G            A            Bm            A            G        A  
I'm just a girl, all pretty and petite. So, don't let me have any rights.  
G(3)        C(10) [palm mute both chords]  
Oh...I've had it up to here!

The moment that I step outside, so many reasons for me to run and hide.  
I can't do the little things I hold so dear.  
'Cause it's all those little things that I fear.

'Cause I am just a girl, I'd rather not be.  
'Cause they won't let me drive late at night.  
I'm just a girl, guess I'm some kind of freak,  
'Cause they all sit and stare with their eyes.

I'm just a girl, take a good look at me; just your typical prototype.  
Oh...I've had it up to here! Oh...I am making myself clear?

I'm just a girl, just a girl in the world; that's all that you'll let me be!  
I'm just a girl, living in captivity. Your rule of thumb makes me worry some.

I'm just a girl, what's my destiny? What I've succumbed to is making me numb.  
I'm just a girl, my apologies. What I've become is so burdensome.  
I'm just a girl, lucky me. Twiddle-dum there's no comparison.

G            C            G            C            G            C            Bm  
Oh, I've had it up to! Oh, I've had it up to! Oh, I've had it up to here!
