INTRO:
Melody notes: B A# B C# B | D# D D# E D# | D# D# D# E F F# | Then crash on: B7

VERSE 1:
E E/D# C#m C#m/B A A/G# F#m F#m/E
Robert gives half to Grenville, who, in turn, gave half to Larry,
D G
Who adored my instrumentals.
A D
So, he gave half to a foreign publisher
E
He took half the money that was earned in some far distant land
Gave back half to Larry
A D7 (G)
And I end up with half of goodness knows what.

CHORUS 1:
(G) G/F# G/F
Can somebody explain why things go on this way?
C C/B
I thought they were my friends. I can't believe it's me.
(C/B) F C
I can't believe that I'm so green.

BRIDGE:
G [Doggie-style alternating bass]
Eyes down, 'round and 'round.
D
Let's all sit and watch the money go 'round.
(D) A G F#
Everyone take a little bit here and a little bit there.

Do they all deserve money from a song that they never heard?
They don't know the tune and they don't know the words
And they don't give a damn.

There's no end to it. I'm in a pit and I'm stuck in it.
The money goes 'round and around and around and it comes out here
B7 [hold chord] [F# A G#]
When they've all taken their share
VERSE 2:
I went to see a solicitor & the story was heard & the writs were served
On the verge of a nervous breakdown, I decided to fight right to the end
But if I ever get my money
A                   D7              (G)
I'll be too old and grey to spend it all.

CHORUS 2:
(G)                      G/F#   G/F
Oh, and life goes on and on and no-one ever wins.
C                             C/B
And time goes quickly by just like the money-go-round.
(C/B)            F      C
I only hope that I'll survive!
