Bm            A            G            F#m    Bm            A            D            A  
Sunny came home to her favorite room. Sunny sat down in the kitchen.  
E/G#            A            G            F#m    Em            Bm            G  
She opened a book and a box of tools. Sunny came home with a mission.

CHORUS:

          D            A            Em    Em/A            D            A            Em  
She says, "Days go by, I'm hypnotized. I'm walking on a wire.  
          D            A            Em            Bm            E/G#    A            GM7  
I close my eyes and fly out of my mind into the fire."  
          Bm    A            D            A  
Sunny came home.

Sunny came home with a list of names; she didn't believe in transcendence.  
"It's time for a few small repairs," she said Sunny came home with a vengeance.

CHORUS:

Get the kids and bring a sweater. Dry is good and wind is better.  
Count the years, you always knew it. Strike a match, go on and do it.

CHORUS: *[then sing lines below with chorus chords]*

Light the sky and hold on tight. The world is burning down.  
She's out there on her own and she's alright.  
Sunny came home. Sunny came home.
