Y'All Come

Words & Music: Arleigh Duff

Jay Buckey has an arrangement of this in G on his site.

C                         F
When you live in the country, everybody is your neighbor.
C                        G
On this one thing you can rely.
C                        F
They'll all come to see you and never, ever leave you;
C                G       C
Sayin', "Y'all come to see us bye and bye!"

CHORUS:
F                C                             G
"Y'all come. Y'all come. Oh, y'all come to see us when you can!
C      F                C             G              C
Y'all come. Y'all come. Oh, y'all come to see us now and then."

Kinfolks a-comin'; they're comin' by the dozen.
Eatin' ever'thing from soup to hay.
And right after dinner, they ain't lookin' any thinner.
And here's what you hear them say:

CHORUS:

Pore old Grandmaw's a-wishin' they'd come out to the kitchen
And help do the dishes right away.
But they all start a-leavin', even though she's a-grievin'.
You can still hear Grandmaw say:

CHORUS:
